Cotswold Hills Golf Club

Brintons

Cotswold Hills Golf Club is set above the rolling hills of the Cotswolds with their Championship golf course is considered to be one of the finest in Gloucestershire. Brintons was pleased to be selected to work alongside Hastie Studios to create a durable yet beautiful carpet design for the restaurant areas as part of a refurbishment project.

> We briefed Brintons with the challenge of creating a design that suited the many needs of the longstanding members club. A design that featured traditional tones and motifs, with a contemporary edge – that would withstand the impact of large events. The design Brintons created was so favourable, it was approved following the first iteration and has been hugely successful in tying the scheme together.
