Materialize

Imagine the initial spark of inspiration. Consider what a fascinating journey it must be to become a physical reality; a process too often overlooked once the final creation is unveiled.

Materialize brings the raw, deconstructed elements of the creative process to the surface. Colors, textures, and forms are derived from an array of mixed medias formulating wool-rich Axminster designs teeming with dimension.

© Stacy Garcia, Inc. 2018 produced under license by Brintons Carpets Ltd. Colors are reproduced within the limits of the printing process.
HDW • High-Definition Weave is patented and engineered by Brintons to weave up to 32 colors.
