Brintons | SELF EXPRESSION
FALL 2023

"Montana or Manhattan the trees still speak to us in the same language. Gentle cool breezes. Ballets in the sky. The city introduces us to another side of nature as it dances and undulates with surrounding architecture. Momentarily blending the skyline in a kaleidoscope of hard edges and the brush strokes of mother nature. Always changing the medium with the seasons as every year we wait for the trees to undress in the autumn. The elegance of daydream is loosely represented in this collection."
