Milton Hill House Hotel

Brintons

Milton Hill House blends an elegant Georgian manor house with modern furnishings and facilities. With 114 bedrooms, 20 event spaces and a range of leisure facilities on-site, it is a fabulous space to host meetings, weddings and conferences. The hotel is set within 22 acres of parkland but only a short drive from Oxford centre too, making it both scenic and easily accessible.

Brintons wool-rich Axminster designs were chosen to carpet the public areas, perfectly complementing the venues architecture, natural surroundings and sustainable ethos.

> It was really important to us that our refurbished estate offered character and charm through luxury finishes that would also be practical. Working with Brintons has enabled us to achieve this, with hardwearing yet beautiful Axminster carpets, in a bespoke and stylish design.
