The British Academy

Brintons

The British Academy is the UK's national academy for the humanities and social sciences, based in the heart of London. Brintons were pleased to work with the operations team on this refurbishment of their library and conference room. Using a simple geometric pattern from our QuickWeave selection, this Axminster carpet was able to be selected, woven and installed with a very quick turnaround.

Project summary

Name	The British Academy
Details	Axminster QuickWeave installed in library, meeting and conference spaces
Date	July 2023 & January 2024
