Group Integrated Quality, Environmental, Health & Safety Policy Statement

Brintons Carpets Limited are a manufacturer and distributor of high quality woven carpets and rugs with a wide range of customers across commercial and residential sectors on a global scale.

Operating an integrated management system, we seek to incorporate quality, environmental and health & safety considerations into daily activities within the organisation. The Company operates to the international standards of ISO 9001:2015 (Quality), ISO14001:2015 (Environmental) and furthermore in line with BS ISO 45001:2018 (Occupational Health and Safety).

We strive to improve products and services that we offer to our customers, whilst always aiming to limit the environmental impacts and safety risks. Key areas of focus for the leadership and management teams, in order to attain the highest standards, include:

- Ensuring that we identify and comply with relevant legal obligations and interested party requirements.
- Establishing that products meet the necessary statutory, regulatory, or specified requirements for quality, performance, and reliability.
- Assessing and managing risks and aspects that pertain to the business.
- Providing safe systems of work that prevent injury and ill health.
- Setting management system objectives with indicators to track achievement with realistic targets for continual improvement of the Integrated Management System.
- Committing to managing activities to ensure the protection of the environment, the control of significant aspects of resource use, waste reduction and pollution prevention.
- Striving to achieve complete customer satisfaction, and in the event a complaint occurs, to deal with it promptly and fairly.
- Working closely with other interested parties to ensure mutually beneficial customer and supplier relationships.

Brintons Carpets Limited is committed to the continual improvement of its Integrated Management Systems, and the benefit this will offer to customers and suppliers alike.
