

Brintons

Group Integrated Quality, Environmental, Health & Safety Policy Statement

Brintons Carpets Limited manufacture high quality yarn, rugs and broadloom carpet, and have a wide range of customers across both commercial and residential markets worldwide

Operating an integrated management system means we seek to incorporate quality, environmental and health & safety considerations into our day to day activities within the context of the organisation. We are working to the requirements of international standards ISO 9001:2015 (Quality), ISO14001:2015 (Environmental) and in line with ISO 45001/18001 (OHAS) Systems.

We strive to improve products and services that we offer to our customers whilst minimising any negative environmental impacts or safety risks. Key areas of focus for the leadership and management teams, in order to attain the highest levels, include:

- Ensuring that we identify and comply with relevant legal obligations and interested parties requirements.
- To ensure that products meet the necessary statutory, regulatory, or specified requirements for quality, performance, and reliability.
- Assessing and managing risks and aspects that pertain to the business.
- Providing safe systems of work that prevent injury and ill health.
- Setting management system objectives with indicators to track achievement with realistic targets for continual improvement of the Integrated Management System.
- A commitment to manage activities to ensure the protection of the environment, the control of significant aspects of resource use, waste minimisation and pollution prevention.
- Strive to achieve complete customer satisfaction, and when a complaint occurs to deal with it promptly and fairly.
- Work closely with our interested parties to ensure mutually beneficial customer and supplier relationships.

Brintons Carpets Limited is committed to the continual improvement of the integrated management systems, and the benefit this will offer to interested parties of the business. This policy statement is available on request and also to persons directly under the control of the organisation.
