Al Khoory Hotel Al Barsha, Dubai

Brintons

Set in the heart of New Dubai, Al Khoory Atrium Hotel is in close proximity to Mall of the Emirates and Central Business Districts.

Blending contemporary design with elegantly appointed guest rooms, the hotel's atrium is a prime design focus, as it acts as a natural lighting system, creating different moods from dawn to dusk.

Brintons worked together with the AAS Creations Interior Design LLC and the property owner to create 1860 sqm2 of beautiful custom designed axminster carpet for the corridors. The design has an abstract concept of brightly coloured circles on a neutral base. The transition of colours from muted grey to warm orange enhanced the overall contemporary design of the property.
