

Brintons was appointed by Bahrain's legendary 5 star hotel, The Gulf Hotel Bahrain Convention & Spa to supply a unique carpet design for the Hotel's Awal Ballroom.

The Gulf Hotel Bahrain Convention & Spa, which is renowned for having one of the largest meeting and events facilities in Bahrain, with more than 29 meeting venues, has currently upgraded the Awal Ballroom to a new luxurious level.

“

Awal Ballroom is one of the Hotel's famous venues, being one of the first ballrooms to host major events, weddings and corporate get togethers in the Kingdom. In line with the Hotel's renovation and expansion projects, Brintons supplied 1,200 sqm² of opulent, bespoke design carpets for the Awal Ballroom and reception areas, each reflecting the lavish interiors of polished marble and classical wooden paneling and with the cocktail reception carpets which incorporated the stunning fluid swirling designs in deep ochres, terracottas, blushes and blacks, signifying the style and luxury of the new and modernistic Awal Ballroom.
