

Radisson Blu in Kuwait is located on the shores of the Arabian Gulf making it a perfect place for a holiday. The hotel has a 300-metre private beach and outdoor and indoor pools.

The hotel property offers 191 rooms and suites to its guests with spectacular views of the ocean and a landlocked dhow which houses a restaurant.

Brintons were commissioned to supply carpets for the guestrooms, lobby lounge, executive lounge, corridors, ballroom, coffee shop, the Peacock restaurant, Presidential suite bedrooms and living room and business centers. About 4000 sqmts of Axminster 918A carpets were installed in this quaint and colorful property.

## Project summary
