The Kilashee House Hotel was built in 1863 and is located in Naas, Co. Kildare just 30 kms from Dublin City Centre. Set amidst 280 acres of beautifully landscaped gardens and parkland, with magnificent views over the Kildare countryside.

Brintons worked with the hotel to produce carpet for the lounge and dining areas. A design from Timorous Beasties First Weave collection was chosen, this flamboyant design is a detailed and fluid floral that challenged the ideas of beauty, encorporating a large iguna in to the flowing repeat.
